Level I Health & Safety

Offered by the Windsor & District Labour Council and Workers Health & Safety Centre

This program intends to empower workers with a general understanding of occupational health & safety including hazard awareness, principles for controlling exposure along with occupational health and safety law. This training also intends to help ignite a passion in participants translating into greater activism in their workplaces, union and communities.

Core:

- *Staying Alive While Earning a Living*
- *The Body in the Workplace*
- *Toxic Substances*
- *Principles of Control*
- *It's the Law*
- *The Myth of Worker Carelessness*
- *Making Work Fit the Worker*

Electives:

- *Worker Representatives*
- *Looking at the Workplace*
- *Investigating and Reporting*

Date: Every Tuesday, October 4-December 6, 2016
